FYE Checklist ✓

We want your First Year Experience at USU Eastern to be successful!
Complete all of the items listed below and bring this form to the First Year Experience Office (Student Center 223) at the end of the semester to claim your prize!!

☐ 1. NEW STUDENT ORIENTATION
   o Participate in a fun-filled ‘Orientation’ celebration. Orientation is the ultimate college-ready experience you will never forget! It is held the Friday before fall semester begins and you will receive 1 elective credit for participating.
   Signature from Student Success Leader ________________________________

☐ 2. COLLEGE SUCCESS SKILLS
   o Enroll in College Success Skills, SLSC 1050. This 2 credit hour elective course is designed to increase student success in college. The course focuses on assisting you in the development of practical student skills, familiarizing you with campus resources and introducing you to major and career options.
   Instructor Signature ________________________________

☐ 3. PERSONALIZED ACADEMIC ADVISEMENT
   o Visit with your academic advisor. They can help you build a balanced schedule every semester and recommend courses to take within your major. You should meet with your academic advisor at least twice a semester and talk to them about your academic and career goals.
   Advisor Signature ________________________________ Date: ________________

☐ 4. FACULTY ADVISOR
   o Visit with your faculty advisor. They are the experts in their field of study and want to help you succeed. They can also recommend courses to take within your major. You should visit with your faculty mentor at least once a semester.
   Faculty Signature ________________________________ Date: ________________
5. STUDENT SUCCESS WORKSHOPS
   - Attend one student success workshop. We offer a variety of workshops throughout the semester. Topics include; time management, stress management, study skills, major and career exploration, resume writing and more. Workshops are free to all students.
